FOR THE AGING VOICE

Ever been concerned your voice is getting rusty with age? Vocal technique, vocal hygiene, and awareness are keys to maintaining a strong and healthy singing voice. Explore these concepts in this concentrated four-part class, and leave with a better understanding of how the voice works and how to maintain a healthy singing career later in life. Whether a novice or veteran singer, teacher or student, all voice types and experience levels can benefit. Healthy singing is a lifelong experience. Join us in this course to seek longevity and fulfillment in your voice.
